This book by the civil authority of the academic co-made. straight out the Ministry of Education election. 15 and Eleventh Five-Year national planning materials. and was Select Department of Education 2008 general higher quality teaching materials. its excellent strength and influence is obvious. Book to develop the architecture of China's Civil Code based on the overall design framework. a total of France remarks. moral rights. property law. debt law remarks. contract law and tort law compiled fifty six chapters. Its content closely with our current civil laws. regulations and judicial interpretations. the system describes the basic concepts of civil law. the basic theory and the basic system. more attention in the process behind the analysis of legal norms of civil values ??and interests considerations. At the same time. the authors focus on drawing on lessons from abroad. the results of research of civil law. and introduce appropriate point of China's civil law-making process of the major difficult issues. This book is comprehensive. appropriate style. the third edition is in the Tort Law and a number of important judicial interpretation of Supreme People's Court after the enactment of comprehensive revision of the book to reflect my latest achievements in the national legal theory and judicial practice . This book can fully meet the teaching needs. but also for graduate entrance examination and judicial examination of the candidates to provide comprehensive guidance. teaching and research staff can also provide a theoretical reference and practitioners. Contents: Part I Civil Civil remarks Chapter Overview Section II the concept of civil law civil law civil law nature of the adjustment for the third quarter and fourth civil..
