Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Our lives are so often full of events and challenges that we forget to nurture and love the person we truly are. We find ourselves hurtling through our lives, filling our days with distractions, jobs we dislike, hanging out with people who do not nourish us. We may enter into relationships to seek happiness, rather than considering how we can be happy within ourselves. Through the use of The Five Word Legacy you will discover how you can live the life you choose, rather than the life you may have tumbled into.
