Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

I can definitely see parents reading this to their kids and teachers reading it to their students for years to come. - Cheryl Schopen, Readers Favorite The book is vibrant with color, satisfyingly simple as an introduction for young readers just learning numbers, and includes plenty of action scenes lending to parental read-aloud and easy reader learning (including dog bones scattered in each picture for kids to easily find - and count!). - Diane Donovan, Midwest Book Review .
