

The Spanish Inquisition (Paperback)

By Sydney F Smith Sj

Books Ulster, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In The Spanish Inquisition, first published in 1892, Rev. Sydney Fenn Smith, S.J., explains how the organisation developed in response to a Jewish conspiracy to obtain influential positions within the Catholic church and state: These [Jews] were in league with the open adherents of their national creed, and were the more dangerous because their machinations against the Catholic religion were carried on in the dark. The extent of the evil may be realized somewhat when it is said that not a few of these secret Jews had risen to high ecclesiastical dignities, some even to bishoprics. Smith, in seeking to reassure his Protestant compatriots that they had nothing to fear from an unlikely return of Catholic power in England, goes on to argue that given the context of the period, and in comparison to other examples of judicial process, particularly English, the Spanish Inquisition was relatively liberal and ahead of its time in terms of fair play and leniency.

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Salvador Lynch

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

-- Mr. Jeramy Leuschke IV
