These are the last words uttered by 17-year-old Max Stein's best friend Evan just moments before he kills himself after hacking into the live-streaming Presidential debate at their high school. Haunted by the unforgettable image of Evan's death, Max's entire world is upended as he suddenly finds himself the target of a corporate-government witch-hunt. Fearing for his life and fighting for his own innocence, Max goes on the run with no one to trust and too many unanswered questions. Max must dust off his own hacking skills and maneuver through the dangerous labyrinth of underground hacktivist networks, ever-shifting alliances and virtual identities all the while hoping to find the truth behind the Silence of Six before it's too late.
