BRIGHTON

Condition: New. Publisher/Verlag: HarperCollins US | A Novel | An intricately woven and deeply emotional thriller about a journalist investigating a series of murders that might link back to his childhood friend who saved him from a life of crime years earlier. | "The f king bomb! I loved it." - Stephen King "I couldn't stop reading." --John Grisham A gritty and suspenseful Boston thriller for fans of Dennis Lehane and The Departed An extraordinary thriller-gripping, haunting, and marvelously told-about two friends growing up in a rapidly changing Boston, who must face the sins of their past in the midst of a series of brutal murders. "You came back here to bury your past. . . . Thing is, you gotta kill it first." Twenty-six years later, Kevin is a Pulitzer Prize-winning journalist for the Boston Globe . He's never been back to his old block, having avoided his family and, especially, Bobby Scales. Then he learns his old friend is the prime suspect in a string of local murders. Suddenly, Kevin's headed home-to protect a friend and the secret they share. To report this story to the end and protect those he loves, he must face not only an elusive, slippery killer, but his own corrupted conscience. A powerhouse of a thriller,...
