In highly commended - most promising, new talent, and Junior Design Awards 2011 - Artist Jonty Lees brings his peculiar humour and style to this original new children s book. Tired of not being able to eat his favourite pies, listen to Neil Diamond and do the things he likes to do he starts to make changes around the house.The inevitable fight that results between the family is funny, unusual and, at times, bizarre. And only after they have battled over food, fashion, interior decorating, personal hygiene and music do they all unite again as one big happy family.
