

## Child Mental Health: Exploring Systems of Care in the New Millennium

By John Y. Powell, David A. Dosser, Dorothea Handron, Susan McCammon, Sandra A. Spencer

Taylor & Francis Inc. Paperback. Book Condition: new. BRAND NEW, Child Mental Health: Exploring Systems of Care in the New Millennium, John Y. Powell, David A. Dosser, Dorothea Handron, Susan McCammon, Sandra A. Spencer, Use these system-of-care concepts to better serve children with serious emotional problems and their families! Providing services to children with emotional problems and their families continues to be a major challenge for social workers, family therapists, child mental health advocates, and psychologists in the new century. This valuable book addresses that challenge, detailing theory, principles, and application issues from the vantage points of both consumers and service providers. System-of-care values and practices were developed to address these concerns and meet the needs of these children and families, who tend to receive either no services at all or services that are far too restrictive, at a large cost to the organization providing the services. Child Mental Health: Exploring Systems of Care in the New Millennium identifies salient issues and offers suggestions for addressing the complexities of providing services for these troubled families. It also provides hope and encouragement for family members and professionals by identifying roles and practices that are effective in building collaborative community-based services. This...
