By Glen C Durdik

Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.New to the Mac? You heard about the great applications in iLIfe, but you only used iTunes so far You have come to the right place. I created a 137 page guide that covers what I feel is the essence of each application. I cover the application environment in detail - all toolbars and all the menus of each application. This guide covers iPhoto, iMovie, iDVD, iTunes, GaragaBand and iWeb. My short guide is not a how to that covers creating a project step by step by step. I feel that after reading this guide that you will know where everything is in each application. With this guide as your stepping stone - you can explore all the great features and built-in ease of use of all these awesome apps and unleash the power of the new Mac you just bought. This manual is printed in a easy to read 8 by 10 format. Last, I also have a combo manual that includes iLife and the Mac OS for a special combo price!!.
