IMAGINARY CASTLES (PAPERBACK)

Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Strongholds are imaginary castles, lofty things, high barriers that separate us from the knowledge of God. Illusions built upon agreements with lies. The thing is: they look real. They feel real. When we are in agreement with the enemy of God, without even understanding why, we can end up walking in the illusion of bondage, despair and defeat. Imaginary Castles: Understanding and Pulling Down Strongholds is an easy-to-read teaching on a crucial topic for the body of Christ. You will learn: How the enemy uses lies and deception to build strongholds. How to recognize and destroy strongholds in your life. How to prevent strongholds from forming in the first place. How to help your loved ones get free from the illusion of bondage. Author Michael W. Davis is the founder and president of Brothers And Sisters In Christ (B.A.S.I.C.) Ministries. He enjoys camping, backpacking, playing paintball, and praise music. Michael resides in Greenwood, SC with his wife Linda, daughter Breanna, an ugly dog, and an arrogant little cat. He also has two adult children that have left the nest: Gwendolyn and Stephen.
