Natural Growing, Cooking, and Preserving Secrets from Herblady13: With Tips for Herbs, Vegetables, Healthy Cooking, Lawn Care, Flowers, Etc. (Paperback)

By Janeen Pond

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Questions on gardening? Don't know where or when to start? Don't have the slightest idea as to how to use fresh herbs or how to grow them? Need some information on flowers, containers, weed and pest control, or lawn care maintenance? Have you ever wondered what needs to be done each month in your garden and yard? Ever been overwhelmed with your garden produce harvest and wanted some ideas as to how to use it so that all your hard work wasn't in vain? This book has the answers to all of these questions and more. It is written in a basic easy to understand way so that everyone can grow a garden of either vegetables or herbs, get a bountiful harvest, and know how to use and preserve it. Plus, there are lots of gardening tips from a Master Gardener to make it even easier, and you will know that they work. If you want to garden organically, naturally, or even use some chemicals, that information is included in this book. This is the handbook...
