Zondervan on Brilliance Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. New York Times bestselling author, Ruth Soukup (with 1.5 million unique visitors to her blog each month) encourages women that a life well lived is not so much about what we have as who we are. When we let go of all the STUFF that is filling up our homes, minds, and soul, we are free to become who we really are--and who we are called to be in Christ. Ruth Soukup, a New York Times bestselling author and popular blogger, knows all too well how overwhelming it can feel to have a life filled with too many things. Through personal stories and practical action plans, she inspires and empowers other women to finally declutter not only their homes but their minds and souls as well. Unstuffed is real, honest, and speaks to the heart of the question so many of today's women are asking: How can we take back our lives from the stuff that is weighing us down? From recognizing the pitfalls of overfilled cupboards and shopping carts, to combating the culture of busy that keeps women running from one thing to the next, to finding life balance by learning how to let go of unhealthy habits that can add to spiritual clutter--readers will journey with Ruth as they overcome chaotic, out of control schedules, overstuffed closets, and undernourished souls.
