Charles Lamb might conceivably have written an essay called From my Window which would have been a masterpiece--and there is a remote chance that some editor might have accepted it. But then Charles Lamb is dead, and his secret died with him. Despite the vast number of articles written and printed during recent years, there remains a yet vaster number of articles waiting to be written--even after leaving essays out of account. In feet the more articles written, the more to be written. The field for copy has a resemblance to Klondyke: removal of treasure serves only to bring larger quantities into sight. to dispense with them), and he accepts the least hackneyed suggestions which offer themselves. Journalism ever grows wider, more comprehensive; the whole history of the...
