Wine it's not rocket science : A quick & easy guide to understanding, buying, tasting & pairing every type of wine

By Ophélie Neiman

Hamlyn Octopus Publishing Group Sep 2017, 2017. Buch. Condition: Neu. Neuware - Rocket science is complicated, wine doesn't have to be. With information presented in an easy, illustrated style, and bursting with fool-proof and reliable advice, Wine: it's not rocket science is the guide that answers the sentence: I wish I knew more about wine. From how grapes are grown, harvested and turned into wine, to judging the colour, aroma and taste of the world's most popular varieties, to understanding terroir and feeling confident serving and ordering wine at any occasion, this book explains it all in the simplest way possible. Every page, every piece of information, and every detail is illustrated in charming and informative colour drawings and infographics. 272 pp. Englisch.
