Filesize: 9.25 MB

Reviews

Thorough information for ebook enthusiasts. It is rally fascinating throgh reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Hillard Macejkovic)

BOO

VINTAGE, United States, 2015. Paperback. Book Condition: New. 203 x 130 mm. Language: English . Brand New Book. Do you ever wonder, dear Mother and Father, what kind of toothpaste angels use in heaven? I will tell you. . . . This book I am writing to you about my afterlife will be your nitty-gritty. One day I hope to discover a way to deliver my story to you. It is the first week of school in 1979, and Oliver Boo Dalrymple ghostly pale eighth grader; aspiring scientist; social pariah is standing next to his locker, reciting the periodic table. The next thing he knows, he finds himself lying in a strange bed in a strange land. He is a new resident of a place called Town an afterlife exclusively for thirteen-year-olds. Soon Boo is joined by Johnny Henzel, a fellow classmate, who brings with him a piece of surprising news about the circumstances of the boys deaths. In Town, there are no trees or animals, just endless rows of redbrick dormitories surrounded by unscalable walls. No one grows or ages, but everyone arrives just slightly altered from who he or she was before. To Boo s great surprise, the qualities that made him an outcast at home win him friends; and he finds himself capable of a joy he has never experienced. But there is a darker side to life after death and as Boo and Johnny attempt to learn what happened that fateful day, they discover a disturbing truth that will have profound repercussions for both of them. Hilarious and heartwarming, poignant and profound, Boo is a unique look at the bonds of friendship in what is, ultimately, a book about finding your place in the world be it this one, or the next.
