MOSQUITO TRAPPING IN RECREATIONAL PARKS IN SELANGOR, MALAYSIA

Elton Rogozi
Mosquito trapping in
recreational parks in
Selangor, Malaysia
Collection of adult mosquitoes with different
techniques

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Collection of adult mosquitoes with different techniques | Mosquitoes serve as important vector of viruses, parasites, protozoan and other pathogens from infected animal/reservoirs to human and other animals. Studying the mosquito population in human inhabited areas is really important factor for public health departments and to the strategies of their control. It is really important to know their behavior, biology and reproduction cycle in order to better draw controlling programs. Mosquitoes are...
