

Robert Plant: A Life: The Biography (Paperback)

By Paul Rees

HarperCollins Publishers, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Robert Plant is one of the few genuine living rock legends. Frontman of Led Zeppelin, musical innovator and seller of millions of records, Plant has had a profound influence on music for over four decades. But the full account of his life has barely been told . until now. Robert Plant: A Life is the first complete and comprehensive telling of Plant s story. From his earliest performances in folk clubs in the early 1960s, to the world s biggest stages as Led Zeppelin s self-styled `Golden God , and on to his emergence as an emboldened solo star. The sheer scale of Zeppelin s success is extraordinary: in the US alone they sold 70 million records, a figure surpassed only by the Beatles. But their success was marred by tragedy. These pages contain first-hand accounts of Plant s greatest highs and deepest lows: the tragic deaths of his son Karac and his friend, Zeppelin drummer John Bonham. Told in vivid detail, this is the definitive story of a man of great talent, remarkable fortitude and extraordinary conviction.
