Honno Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. I started on light switches . I had to run my fingertip along every bit of the light switch - the edges, the corners, the button - in a particular order and pattern . If I didn t get it just right, maybe bad things would happen. Sylvester spends a lot of time in his room, under the duvet, muttering his mantra - Timolol, Diclofenac, Alfacalcidol - and gluing glitter to the light switches. If he doesn t the evil witch might curse him, or his perverted thoughts be exposed for the world to see. Or maybe he s just being irrational.? Forced back home to live with his dealer dad, Carl, Sylvester s imagination takes flight, along with his sanity.
