Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. John Norman s epic Gorean Saga is one of the longest-running and most successful series in the history of fantasy. It is also one of the most controversial. Over the course of more than 30 books produced over a span of six decades, the series has sold millions of copies and built legions of fans unrivaled in their devotion. Audible invites you to rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Ellen is a beautiful young slave girl on the planet Gor. Yet she was not always thus. For nearly 60 years she was a woman of Earth, but life had largely passed her by. Then, following an apparently chance encounter at the opera with a strangely familiar young man, she finds herself transported from Earth to Gor. Here she discovers the true identity of her kidnapper and his sinister motives. She is given a strange drug that reverses the aging process, turning back time itself, and once again she s the beautiful young woman she remembers from years before, so long ago. Now her adventures really begin. Men challenge one another to own her. To the victor the spoils, but who will that victor be?.
