Rad Press Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Paradox is a literary magazine of creative caliber. It represents a showcase of poetic diversity - composed of various artists, cultures and romances. It transpires vast narratives of spiritual substance, weaving and enchanting the throes of an enigma that rectifies with the soul. The personification of an embodiment, gravitates the collective engine of talented spirits to soar through the pages - conjuring a sensation. A feeling. An urge of apparition. A description of humanity provocatively portraying intimacy. This publication is the preface of monuments. It praises the essence of a body. A body of work that has risen from embers. Has harmonized with the horizons for a momentary bliss to bless eons. This emotional energy of written woes and sorrow, pronounces the birth of an era. A terrestrial tide summoned to salt the earth. Paradox is a prison of ideas, a casted shadow spread to explore the identity of a universe. In the depressions of beauty there is a radiant warmth - a community of breathing beings molded out of milk and mud. Their celestial stigma stains the atmospheric cosmos in sworn seduction. Their words sync to the rhythmic cries of our human. Their lyrical libido sailing softly amidst an oceanic entity.
