Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Poems Distilled from Walden is a collection of found poems . . . poems whose words are drawn directly from the words and thoughts of Henry David Thoreau. These poems were found hidden in Thoreau s Walden, waiting to be distilled and given shape. This book is much more than one man s personal response to a masterpiece. Insofar as poetry is revelation, this work is the result of confluence between a dead writer and a live poet. And insofar as poetry is essence, Alfred Cahen has tried to bottle only the purest Walden water, that which Thoreau s soul bathed in.
