CWP Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Designed for either personal or group study, this volume asks, What really matters in your life? It explores eight vital topics in separate live conversations with the Apostle Paul: Prayer, Possibilities, Passion, Pathways, Power, The Message, Know Thyself, and Conflict Struggle. This series of books raises a simple question: What if you could sit down with the apostle Paul in a live, one-on-one conversation? Would it make a difference for how you read the Bible? Or for how you live your life? This series grew out of the author's own frustration as a Bible reader and Bible teacher with the sheer number of Christians who merely want to skim the surface. Like a rock skipping across the water, that's how a lot of people read the Bible, touching down only here and there and then sputtering to a stop. Devotional approaches (and far too much preaching) encourage this haphazard use of the Bible. This book pursues a different path. How different? Once you get past these introductory pages, once you arrive at the Conversations, every page is written as if by Paul himself, as if he is sitting across from you in a personal conversation. This series was developed over several years in numerous live groups. Volumes include: Vol 1: What Really Matters? Vol 2: Rising above Struggle, Walking in Hope Each volume also has a PROBE Journal, and there is a Primer for Group Leaders. For a complete description and video see the following link:
