Do you want to change your career? Start a business? Stop losing sleep over a deadline? End your relationship? Or maybe, just live a fulfilling life? Everyone has goals and ambitions in life. But we often don't pursue our inner desires because of one thing: Fear and a lack of self-confidence. In Win Your Inner Battles (previously titled Massive Life Success), I document my own journey of conquering fear and a lack of self-confidence. After years of failure and doubt, I finally had a wake-up call in January 2015. My grandmother, who helped raise me, passed away and I realized that time waits for no one. Whatever you want to do, you have to do it now. It's not the economy, politics, or your personal circumstances that are holding you back. You are the one that's holding yourself back. It's time to win your inner battles and live on your own terms. And in this book, I will take you on the same journey I took to win my inner battles.
