SECRETLY PSYCHIC: MY LIFETIME OF EXTRA SENSORY PERCEPTIONS

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.SECRETLY PSYCHIC My Lifetime of Extra Sensory Perceptions By Mary Onnis Waid NOTE: Secretly Psychic is a revised/second edition of Closet Psychic This book reveals some of the more noteworthy of the author s several thousand psychic experiences. They include precognition, clairvoyance, astro-travel, mind reading, mental teleportation, interaction with spirits, exterior physical control of her body, and a few other unusual events. The author has had several professional jobs in which her psychic ability was helpful: a child welfare social worker, an assistant professor and assistant dean of women at two universities, the top secret control officer at a Naval research laboratory, and a social science research analyst for the U.S. government. And as a wife, mother and now grandmother, her sixth sense has been greatly helpful many times over the years. At an early age, the author realized her sixth sense was unusual and considered strange. Not wanting to appear weird, she carefully hid -- even from her best friends her psychic abilities. Her memoirs tell about hiding a lifetime of personal experiences with extra sensory perception (ESP). Now that she has divorced, retired and relocated, she is anxious to try to present her experiences with this sixth sense, hoping to help get psychic ability recognized as valid, publicly accepted and beneficial. If you are interested in the paranormal -- and especially if you have had what you realize is at least one event of knowing something which you could not have known except through some sixth sense, then you will probably find these totally true psychic experiences fascinating. AN IMPORTANT PROLOGUE This is an autobiographical memoir of one special, very secret aspect of my life:...
