Brand New Book ***** Print on Demand *****.Excerpt from **Official Handbook for the Use of Students: Los Angeles State Normal School** Students continuing from the preceding term will be considered as belonging to the group with which they have been connected, except when changes are made necessary by the rules relating to grading and promotion, unless in individual cases special consideration is necessary. Students not in attendance at the close of the preceding term should report to the Secretary of the Faculty for reinstatement. It is important that this regulation be observed by graduates desiring to enroll for additional work, or to enter departments other than those from which they graduated; otherwise they may not be advantageously placed, and confusion may arise as to the credit to which they are entitled. After the day designated in the calendar for registration on the opening of any term, no student will be enrolled without the permission of the President. A fee of \$2.00 for late admission will be required, unless the President has been previously informed of satisfactory reason for the delay.
