Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

Dutton/BOMC. 1 Cloth(s), 2014. hard. Book Condition: New. Surfing an online dating site, NYPD detective Kat Donovan feels her whole world explode, in this fast-paced thriller from the author of *Six Years*; staring back at Kat is her ex-fiancé, the man who shattered her heart and whom she hasn't seen in 18 years. But when Kat reaches out to the man in the profile, an unspeakable conspiracy comes to light. As Kat begins to investigate, her feelings are challenged about everyone she's ever loved including her father, whose cruel murder so long ago has never been fully explained. "A dive-in, lose-sleep, and miss-your-bus-stop reading experience." Associated Press "Coben never met a technological device he couldn't turn into a riveting plot element. His [2014] thriller is no exception. The story examines what can happen to people who use online dating sites, and his hypothesis builds to a truly frightening conclusion. Coben's meticulous plotting and his incorporation of the technology are first-rate. What sets the plot in motion is when a friend of NYPD detective Kat Donovan enters Kat on an online dating site. She discovers her old boyfriend, now a widower, and tries to contact him; the complications multiply from there. Once again, Coben has expertly constructed and then dismantled a time bomb of a plot." Booklist 399.
