

Scapegoats of September 11th: Hate Crimes State Crimes in the War on Terror

By Michael Welch

Rutgers University Press. Paperback. Condition: New. This item is printed on demand. 238 pages. Welch does a meticulous job of breaking through a rather terrifying period of national denial and gets real about transforming violence into genuine social safety. -Harold Pepinsky, professor of criminal justice, Indiana University, Bloomington Michael Welch argues convincingly that the Bush administrations response to 911 was an extension of racialized patterns of fear mobilizing and scapegoating that have deformed American democracy long before that terrible day. -Jonathan Simon, associate dean for jurisprudence and social policy and professor of law, School of Law, University of California, Berkeley From its largest cities to deep within its heartland, from its heavily trafficked airways to its meandering country byways, America has become a nation racked by anxiety about terrorism and national security. In response to the fears prompted by the tragedy of September 11th, the country has changed in countless ways. Airline security has tightened, mail service is closely examined, and restrictions on civil liberties are more readily imposed by the government and accepted by a wary public. The altered American landscape, however, includes more than security measures and ID cards. The countrys desperate quest for security is visible in...
