Cancer survivor Teejay Bishop tries to rebuild her life in the small town of Monarch Beach on California s central coast. Getting back on her feet is made more difficult by the strange things that happen to her - her car is vandalized, her house is burglarized, and she is attacked in the local park in broad daylight. Tee has no idea why these things happen to her, or what is behind them. She can only be grateful for her friends and the handsome cop across the driveway, who may or may not be involved. She has one more ally, the one she can t mention, because he might, just possibly, prove she s crazy. This is the first in a series of visits to Monarch Beach.
