## GEOMETRIC MODELING METHODS USING POINT CLOUD DATA

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Computing Techniques for Recognition and Fitting of Free-form Curves and Surfaces | In the design of sculpted objects such as the exterior of the car body, the design engineer is interested to capture the shape of the sculpted clay or wooden model and create a computer aided design (CAD) model for product development. This technology is also known as reverse engineering of shape. Constructing a CAD model from point cloud data is...
