

Forsaken: Searching for God's Fingerprints (Paperback)

By Richard D Bangs

iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For the dedicated scientists who man a remote listening post on one of Saturn's moons, 2088 has been a pretty quiet year. After nearly 130 years of fruitless listening to the silence of the void, the men and women who represent mankind at the edge of the solar system are humanity's best hope for first contact. None of the specialists on duty could have ever predicted what is racing toward them-or what it means for humanity's future. Jarrod McKinley and two others are stationed on a listening post orbiting the moon Titan, part of man's latest effort to make contact with extraterrestrial intelligence. What the Titan base crew is about to experience will shake the foundations of the belief that mankind is alone in the universe. Without warning, a massive energy wave sweeps around Saturn and blasts the post. McKinley and his crew survive the initial blast, but the listening post is severely damaged. As a rescue mission is launched, a strange signal is discovered within the energy wave. Just as things seem under control, an explosion rocks the...

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
