Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Portraits of the Archbishops of Canterbury The idea of this book was suggested by the Guardroom at Lambeth, round which hang the portraits of Arch bishops of Canterbury from Arundel to Longley, the series being complete from Warham onwards. In the gallery leading to the Guardroom are the portraits of the three last Archbishops, the picture of Dunstan, and the miniature of Sancroft, a case containing archiepiscopal coins, and another case containing the impressions made from archiepiscopal seals. In the absence of any reliable portraits before the time of Warham, the earlier Arch bishops can only be represented by the effigies on their tombs, coins, and seals, and by such pictures as those of Dunstan and Arundel, which, though of very doubtful authenticity as portraits, are included since they form part of the collection at Lambeth. The picture. Of Alphege is taken from an illuminated ms. By Osbern, who wrote within eighty years of the Archbishop s death. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
