

## Rethinking Kennedy: An Interpretive Biography (Paperback)

By Michael O'Brien

Ivan R Dee, Inc, United States, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. After an initial honeymoon with historians, in recent years John F. Kennedy has been more carefully scrutinized, resulting in a wide variety of assessments of his presidency and his life. Michael O'Brien, who knows as much about Kennedy as any historian now writing, has distilled the findings of his heavily detailed biography of a few years ago into a compact life that touches on all the important issues and incorporates the findings and judgments of major works since the president's death. He offers nuanced interpretations of the influence of Kennedy's parents, his early life, his struggles with health problems, his intellectual development, his heroism in World War II, his House and Senate career, and the paramount moments of his presidency, including the Bay of Pigs invasion of Cuba, the Cuban Missile Crisis, and his stand on civil rights, tax policy, and other domestic matters.

### Reviews

*A very wonderful pdf with perfect and lucid explanations. This can be for those who state that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Mr. Stone Kunze**

*The ideal pdf i at any time go through. It is really basic but unexpected situations from the fifty percent of your pdf. Its been designed in an extremely easy way and is particularly only after i finished reading this pdf through which really changed me, alter the way i really believe.*
