Reviews

This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Invisible Elephant Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Novascapes is an anthology of stories from across the speculative fiction range. All the stories are penned by authors who currently live, or were born and raised, in the Hunter, Newcastle and Central Coast regions of New South Wales Australia. It is an indie project showcasing some of the best speculative fiction authors to come out of the region alongside a collection of fantastic emerging talent. Each piece is a brief glimpse into a world both like and unlike anything we could ever imagine. The light and dark aspects of human nature are played out on the canvases of these worlds, though the players are not always human. Minotaurs, mermaids, vampires and dinosaurs compete for space alongside devils, angels, aliens and completely indescribable entities. Novascapes will transport you from one side of the multi-verse to the other and leave you breathless and wide eyed at the possibilities of simple existence.
