Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from *The Morning Star or Way-Side Musings: And Other Poems* The story of this Little Book is very soon told. Twenty-five years ago, the subject first suggested itself. The course of thought, in its general outline, was determined on; the title selected, and the opening lines, as they now stand, were written. It was to be, literally, *Way-Side Musings*; for those lines were written - as, indeed, I expected the whole to be - during the course of my daily walk of three miles, to and from the school I was then teaching. How well do I remember turning aside, and resting my little blank book on the top-rail of the worm-fence, by the road-side, as I hurriedly dotted down my thoughts. I was younger then than now: and supposed that I could finish my Poem, before my six months engagement as a Teacher, had expired. But I retain the Title still; for I confess to a fondness for it which it would be false to deny, and foolish to attempt to conceal.
