50 WAYS TO GROW CONFIDENCE (PAPERBACK)

Dog Ear Publishing, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 50 Ways to Grow Confidence is designed to be a manual for developing more selfconfidence. By becoming more centered in yourself you gain access to personal power. When we re able to turn down the volume on the mind chatter, we become clear-headed and grounded. We are then better able to access problem solving skills, and are better equipped to be responsive rather than reactive in our lives. Why is this useful? It s useful because when our mind is clear, we think well, we feel better, and we function better. Our lives become less stressful, more focused, harmonious, and best of all, we can access our creative powers, which enable us to live our life purposefully. Do I say, read this and you re problems melt away? No, I say practice these steps, follow the suggestions, and I guarantee that your thoughts will shift, your feelings will shift, your actions will shift, and then your results will shift. In the end, ask yourself what might be possible in your life if you had more confidence than you have right now. Ask yourself what might be possible for the future of humanity if our children could grow up to be powerful, confident human beings, and then read this book. Ever say to yourself: I wish I could do that; I wish I was like that person; or If only I could improve my life. ? We all do that, not realizing we CAN do it. Bobby Fried s book will put you on the road to changing your life using 50 simple steps. Those laments and wishes will be turned into your new reality. -Charles Chauncey Wells, historian and author. Bobby Fried has...
