Bloomsbury Publishing PLC, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. This beautifully illustrated pocket field guide is packed with information on the marvellous variety of insects that inhabits Britain and the near Continent. It includes more than 180 species, including dragonflies, bees, wasps, beetles, bugs and flies, all of which are illustrated with superb full-colour artworks. A concise written account covering size, description, habitat, distribution, foodplants and habits appears on the same page as the illustrations for each species. The easy-to-follow layouts and superb artworks aid quick and accurate identification, and make this book an indispensable reference in the field as well as at home. It is compact enough to fit in the pocket, yet packed with essential information for the nature enthusiast. To protect it against the elements in the field, the book is wrapped in a durable plastic wallet. Also included is a fold-out insert with at-a-glance illustrations showing comparisons between similar species. Renowned natural history artists Sandra Doyle and Stuart Carter painted the illustrations.
