

## Society in Action: A Study of Basic Social Processes (Classic Reprint)

By Joyce Oramel Hertzler

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Society in Action: A Study of Basic Social Processes This Book is intended to serve as a foundation text for courses in General Sociology, Principles of Sociology, Modern Human Society, and the like. It may be used in classes where the students have already had a social-science survey course or an introductory one-semester course in sociology, or it may be used as a basic text in departments that introduce their students to sociology after the freshman year. This is not a simple, pat book of cut-and-dried principles. One reason is that human society is immensely complex, and to offer a simple presentation is to underestimate or overlook or understate a multiplicity of intricate problems. Another reason is that sociology as a science is still young and is feeling its way as it proceeds with the study of one of the most complicated and confusing of all areas of knowledge. Society in Action is intended to provide an overall analysis of human society as a dynamic entity, not only in terms of its structures, but, especially,...
