Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A no-fail recipe: in five pretty cafes, blend women friends and their modern day dramas with to-die-for coffees and scrumptious cakes and serve. Five Australian women friends calling themselves the Cafe Birds meet regularly to share the ups and downs of life, love, and bird ownership over skinny and not-so-skinny cappuccinos and cake. Each of them has a goal, be it absolution, reinvention, a second chance to make things right, or finding real love. And each has obstacles to overcome. Paige s marriage to a PTSD-afflicted soldier and her newly established business both hover on the brink, but will the solution to one push the other over the edge? A devastating discovery rocks the foundations of Caitlin s world, thrusting her into the arms of an unconventional - did someone say imaginary? - new friend. Faced with an overly generous helping of secrets, a bad-tasting batch of guilty conscience, and a disagreeable serving of gluten intolerance, dinner party doyenne Megan has a lot on her plate. As does widowed Nita, who feels her life and relationship with her recently Goth teenage daughter have come adrift. And gorgeous match of the day Grace appears permanently typecast as trophy girlfriend to a succession of shallow suitors, a situation that can t go on forever - not if her friends can help it! Readers of THE CAFE BIRDS have had this to say: It made me laugh. It made me cry. It made me hungry. It s LITERAL chick lit! It made me want to meet ALL my girlfriends in a pretty cafe and laugh, cry and eat. Bon appetit!.
