ISRAEL AND BABYLON (PAPERBACK)

[DOWNLOAD PDF](#)

Wipf Stock Publishers, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Franz Delitzsch's lectures in 1902 and 1903 set off the Babel-Bible controversy, which rocked Europe and North America. In this searing critique of Delitzsch, Gunkel provides his own analysis of the relationship between ancient Israel and Babylon. In this edition, Gunkel's original work is newly translated, with a new Foreword, notes, bibliographies, and indexes. Hanson's new translation and edition of Gunkel's classic response to the Delitzsch's views of the Babel-Bible controversy is a welcome addition to the growing work on the relationship of Mesopotamia and Israel in antiquity. The new edition of Gunkel's work places in historical context the sometimes overly strong reaction against Delitzsch, headed in part by Gunkel. Hanson has provided scholars a great service in this edition, as he has composed an excellent Foreword, which contains a contemporary evaluation of Delitzsch's claims, as well as a solid review of the comparative method used today to investigate Mesopotamian and Israelite connections. Hanson deserves thanks from those of us in the field of Mesopotamian and Biblical studies. --Mark W. Chavalas, University of Wisconsin-La Crosse Hermann Gunkel was one of the greats of modern Biblical scholarship . . . Written in the context of the famous Babel-Bible debate of the beginning of the twentieth century, this book, in a lively, even passionate way, raises some important questions about how to compare cultures and assess their relationships to each other--questions that have not lost their value more than a century later. We must be grateful, therefore, to K.C. Hanson for bringing Gunkel's book back into print in a revised translation with helpful introduction, notes, and up-dated bibliography. --Peter Machinist, Harvard Divinity School Hermann...
