Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Unnumbered throngs pass by, nor leave behind A foot-print on the plains of memory. But myriads, eager, clamor to be heard; And though the brain oerwearied close the gate And portals of the inner consciousness To bar the phantoms out into the night, Bolts cannot bar nor iron chain them down. Returning swift with strength increased they knock And thunder at the doorways of the soul To gain admission, till they batter down All barriers and rush triumphant in, Bearing the captive Will in fetters bound.
