AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Put the hot chocolate on, curl up, and snuggle down for a delightful holiday treat as you meet some unforgettable horses and the people who love them. This is a unique and colorful collection of short stories, with dual themes of Christmas and horses. This family-oriented collection of tales will take you across America. It will take you from the present to the past, from the untamed West to the brightly lit streets of the city, and maybe even to a place such as your own or one that you dream of owning one day. Best-Loved Christmas Stories for the Horse Lover is a treasury that will make you smile or make you laugh out loud—you may even find a tear forming at the corner of your eye. You'll meet Buster, Donna, Boss, Major, Baby Huey, and so many more. You'll read about Arabs and Belgians, Fjord ponies, and quarter horses. There'll be a bronc or two, of course, and some that don't have names at all. Most of all, you'll remember the people whose stories you will embrace and revisit, like old friends, year after year. The gift of loving horses is best shared with others, so saddle up, pick up your reins, and embark on a journey filled with adventure, imagination, and the magnificence of that wonderful creature, the horse. Good books get read and carefully shelved, but it would be this author's greatest wish to have this book passed around, scuffed, dog-eared, and softened with the grand patina of age and use. This award-winning collection of stories is a timeless gift for horse lovers of all ages.
