By N C Andersen

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Evolution of the Human Soul and the Future Life Scientifically Demonstrated It is to expose these errors that this book was written and to show that evolution is susceptible of no other than a theistic interpretation. The fact of organic and mental evolution points to a divine origin of mind and life on this earth. The soul of man is a self-existent entity, and an important, indeed indispensable, part of the universal spirit, and it will live forever in an individual form to eradicate superstition, to demonstrate the only true and living God, the universal spirit, the God within our selves, the immortal soul. This is the object of our work. The evolution of the human soul is just as real as the evolution of the body. From the structure of the organism of man, his physical, intellectual and psychical, can science only solve the problem of the soul of man and a future life. Evolution is a philosophical science applicable to all phenomena whether physical, mental or psychical, whether manifested by material atoms or dynamic energy of...
