Mezzaterra: Fragments from the Common Ground

By Ahdaf Soueif

Anchor Books, United States, 2005. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. From the bestselling author of the Booker Prize finalist *The Map of Love*—an incisive collection of essays on Arab identity, art, and politics that seeks to locate the mezzaterra, or common ground, in an increasingly globalized world. The twenty-five years worth of criticism and commentary collected here have earned Ahdaf Soueif a place among our most prominent Arab intellectuals. Clear-eyed and passionate, and syndicated throughout the world, they are the direct result of Soueif's own circumstances of being like hundreds of thousands of others: people with an Arab or a Muslim background doing daily double-takes when faced with their reflection in a western mirror. Whether an account of visiting Palestine and entering the Noble Sanctuary for the first time, an interpretation of women who choose to wear the veil, or her post-September 11 reflections, Soueif's intelligent, fearless, deeply informed essays embody the modern search for identity and community.

Reviews

I just began looking at this pdf. We have read through and that i am confident that i will gonna study once more once more down the road. Your lifestyle span will likely be change the instant you complete looking at this ebook.
