Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is pretty much my life.my questions, my growth and then my walk with the Lord all put into verse. Because when I was young I had nobody to tell, to ask, to discuss all that was happening to me, my life became broken, my will was broken but not my spirit. So early on as a young teenager, I wrote to release, then later I wrote to express, now I write because I m free, free from the past and filled with hope, filled with the Holy Spirit because I know my Lord and Savior loves me. My hope is that any person who has gone through or is going through life s up s and down s comes to see, by reading these poems, how the Lord does work in their life, even when you don t think or believe He s there. He does see you, He gives you what you go through to make you stronger to face the next valley so you can rise to the top of the mountain, again. Then when you realize all this, you come to love the Lord, true love and walk in the light instead of the darkness. I see life in a different light now, I am truly blessed.
