

Unto Thee I Grant (Paperback)

Filesize: 9.71 MB

Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Marlin Swift)

Martino Fine Books, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 2014 Reprint of 1932 Sixth Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Originally published as part of the Rosicrucian library Volume 5, this work is divided into 12 sections, and offers timeless advice on ethics, morality, man's duty to himself, his family and his society and his place in the universe. The book is thought by some to have been written by the Egyptian Pharaoh Amenhotep IV during the years 1360 to 1350 B.C. More commonly known as Akenaton, the pharaoh is generally credited as being the founder of the world's earliest monotheistic religion. The language is poetic and the advice is timeless. Written in a style similar to the biblical Book of Proverbs, Unto Thee I Grant uses vivid sayings so its counsel will be easily remembered when needed. For example, when the author warns against seeking revenge for earthly slights, he writes: Revenge is painful in the intent, and it dangerous in the execution; seldom doth the axe fall where he who lifted it up intended; and lo, he remembereth not that it will recoil against him. It is noteworthy how true these discourses remain 3000 years after they were written. The sections on dealing with servants and subordinates are a text book modern managers could learn much from. Whether you are looking for a code of ethics, a manual for modern living or just good literature, Unto Thee I Grant would be a must for the library of any sincere seeker.
