Dodo Press, United Kingdom, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The purpose of this book is to remind Englishspeaking people all over the Empire and our Allies in America of the wanton destruction and unspeakable terror which have overwhelmed the regions of France and Belgium occupied by the Boche, and also to quicken a true perception of the reparation and punishment due when peace is made with the enemy. In many minds time has dimmed the horrors of August and September 1914. When war weariness is apt to sap resolution and the possibility of a patched up peace is furtively canvassed, the great world of the English-speaking race should call to remembrance the inhuman and barely credible acts of brutality and bestiality committed in cold blood by the German race.
