When controversial Professor Kristian Storm is found hanged in his office, his assistant Marie Skov refuses to believe that he has committed suicide. Having just returned from West Africa on a research trip, the late scientist had uncovered a shocking truth about immunology programmes in the developing world. Former police detective Soren Marhauge is determined to prove what really happened to the professor. While Marie grapples with Storm s disputed legacy, Soren leads them both beyond legal boundaries and behind the scenes of the cut-throat pharmaceutical industry.
