The University Press of Kentucky. Hardcover. Book Condition: New. Hardcover. 192 pages. After keeping school for six years at the forks of Troublesome Creek in the Kentucky hills, James Still moved to a century-old log house between the waters of Wolfpen Creek and Dead Mare Branch, on Little Carr Creek, and became the man in the bushes to his curious neighbors. Still joined the life of the scattered community. He raised his own food, preserved fruits and vegetables for the winter, and kept two stands of bees for honey. A neighbor remarked of Still, Hes left a good job, and come over in here and sot down. Still did sit down and write -- the classic novel River of Earth and many poems and short stories that have found their way into national publications. From the beginning, Still jotted down expressions, customs, and happenings unique to the region. After half a century those jottings filled twenty-one notebooks. Now they have been brought together in The Wolfpen Notebooks, together with an interview with Still, a glossary, a comprehensive bibliography of his work by William Terrell Cornett, and examples of Stills use of the sayings in poetry and prose. The sayings represent an aspect of the Appalachian experience not previously recorded and of a time largely past. James Stills fiction has won numerous awards, including the Marjorie Peabody Waite Award and the O. Henry Memorial Prize. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
