Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Large type / large print edition. Language: English . Brand New Book ***** Print on Demand *****. Volume Two picks up where Volume One left off. It is comprised of 300 progressive eight-bar exercises that train reading skills for both hands equally: Half of the pieces emphasize the right hand, the other half emphasize the left. For most of the exercises, the de-emphasized hand stays within a single five-finger position. Time signatures include 4/4 (Common Time), 3/4, 2/4, 6/8, and 2/2 (Cut Time). This second volume expands to include the keys of C Major, A Minor, G Major, E Minor, F Major, D Minor, and some of the relative modes of each. The remaining keys and additional time signatures, including Complex Meter, will be covered in future volumes. Finger numbers have been intentionally excluded from the 300 exercises in order to train the piano player to be able to find their own fingering solutions. All of the exercises are eight measures long. If one has done any study of formal analysis, they will find that eight measures is a typical period of music and usually contains two, four-bar phrases (also typical in length). For example, many sonatinas, jazz standards, and pop songs use 32 Bar Form (A A B A), Binary Form (A B), and Ternary Form (A B A), with each section often being eight bars. Thus, eight measures (one period of music) makes the perfect length for sight-reading studies in my opinion. Various strategies to using this book may be implemented. With my students, I start toward the beginning and zig-zag through the book, skipping the appropriate number of pages to make it into the more challenging sections. The further they are in the book, the more we skip. This...
