Shawn Alli. Paperback. Book Condition: New. Paperback. 174 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. The first and last book you'll ever need to understand oil and the myth of fossil fuels. The myth of fossil fuels and peak oil has been a part of the North American lifestyle for almost 100 years. Beginning first in the schools, children are anxious for an education but instead are indoctrinated to believe this deception. As a student grows up they hear the same message propagating through governments, media and various interest groups, eventually accepting it as a scientific fact. But the truth is now within your grasp in finding this book. In *Oil, The 4th Renewable Resource*, you'll learn:

- o How the myth of fossil fuels begins.
- o How oil corporations are taking advantage of this myth.
- o The beginning of the abiotic oil theory in 1877.
- o How the myth of global warming and oil corporations go hand in hand.
- o Which renewable resource is the best.
- o And what actions you can take to affect change in the schools and government policy.

This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
